Every parent wants the best for their child.

What?

Montessori Mom & Tot classes are a series of one-hour workshops for parents and their children aged 3-18 months. Workshops are led by CMA's Jackie Lalumiere, a master Montessori teacher with core expertise in Early Childhood Development. Our fun-filled approach encompasses matters of health, behaviour, and education; and focuses specifically on math activities, language, culture, and motor skills. We will also answer questions about how the Montessori Method can help nurture your child's development and foster a love of learning.

Who?

Canadian Montessori Academy has been in operation since 1980 and is a member of the American Montessori Society and the International Montessori Council. We are registered with the Ontario Ministry of Education and governed by the Education Act.
